

New Luxury Willow Creek Apartment Community Opens in Prescott Tenants begin moving into carriage house, studio and one- and two-bedroom apartment units

✘ PRESCOTT, ARIZ. –The Willow Creek Apartment community in Prescott, Arizona, recently celebrated its grand opening with Mayor Greg Mengarelli participating in the community ribbon-cutting event.

The luxury, 160-unit garden-style apartment community, located at 3137 Willow Creek Road, is the first new signature apartment community in the area to complete construction and provide much-needed luxury level multi-family living options to area residents.

“The grand opening of Willow Creek Apartments is a milestone many years in the making,” said Cole Johnson, owner and developer of Willow Creek Apartments. “After several setbacks, it’s great to finally be at the point where the city of Prescott has delivered the certificate of occupancy and residents are moving in.

“I would also like to thank the many individuals who have been behind the scenes working to make Willow Creek Apartments a reality. I am thrilled to welcome our new residents and invite the many prospective residents, who have been watching and waiting for a new option in luxury living in Prescott, to come by for a tour of what I believe is the best new apartment community in our city,” Johnson said.

Willow Creek Apartments,
3137 Willow Creek Road,
Prescott, AZ

The new limited number of studio, one-bedroom, two-bedroom and carriage house apartment units with floor plans ranging from just over 670 to 1188 square-feet are now available for immediate move in. Current offerings include furnished and short-term rentals and leases for each unit type.

Each luxury apartment home includes an in-unit laundry room with full-size washer and dryer, premium stainless-steel kitchen appliances and granite counter tops, wood plank flooring, and spacious living areas. Each unit has its own courtyard/patio and its own designated covered parking as well as optional detached garages.

The central Prescott location offers spectacular views of Granite Mountain, significant open space and lush landscaping throughout the community.

The pet-friendly community also offers residents a large clubhouse with a full-kitchen, supplemented by multiple outdoor barbeque areas, and community entertainment space for gathering and for private events as well as a best in class 24-hour fitness center and the convenience of an on-site fenced dog park.

Willow Creek Apartments is conveniently located near Embry Riddle Aeronautical University and just minutes from the best that Prescott has to offer – hiking and biking trails, Heritage Park Zoological Sanctuary, Willow Creek Reservoir and the city's lively shopping and dining experiences.

The community's construction was completed by general contractor Copper Tree Construction, LLC. Copper Tree is also building the luxury single family housing community,

Whispering Canyon, NW of Prescott adjacent to Granite Mountain and surrounded by the Prescott National Forest.

Willow Creek is professionally managed by Shelton Residential. Interested parties can contact info@Allison-Shelton.com for information or to arrange a tour. For more information about Willow Creek Apartments, visit WillowCreekaptsPrescott.com or call (602) 474-3555 to schedule a tour.
