### DEVELOPER OF DREAMS

"VISION WITHOUT  
ACTION IS MERELY  
A DREAM. ACTION  
WITHOUT VISION  
JUST PASSES THE  
TIME. VISION  
WITH ACTION  
CAN CHANGE  
THE WORLD."  
- JOEL A. BARKER

On January 18, 2016 Don Baker was taken from his family and community too soon when his plane tragically crashed. His memory endures as a loving husband of Dawn Hunter-Baker, father of Lindsey and Josh, dutiful son of Millie and Joey Baker, rock to his siblings Jan and Norman, and caring ex-husband and friend of Shelley Pozez. He was a remarkable leader in the real estate community, co-founding and co-owning Larsen Baker LLC. Not only was he loved and respected by the Tucson business community, his impact on the community at large, including local and national Jewish and secular organizations, will be everlasting. He embodied Tikkun Olam in the sharing of his time, talent and treasure. Don served on the executive committee of the Jewish Federation of Southern Arizona and is the father of the vision of the Tucson Hebrew Academy building we know today... he was the primary champion for the dream becoming a reality. His love of learning and commitment to the value of education lives on through the countless graduates who live the tenets of Jewish values and are dedicated to repairing the world. Don, how you changed our world and made it a better place! A Jewish proverb states, "the only truly dead are those that have been forgotten." We will never forget your passionate charge to develop a community that fosters dreams.
